

Minibus service
for day pupils
2017–18

A minibus service for day pupils

St Andrew's Prep provides a return minibus service to the school on weekdays and a one-way service on Saturday mornings. The network consists of six routes and covers a radius of 20

miles. School minibuses cover all routes and are operated by fully trained and qualified drivers.

How the minibus service works

Mornings

All routes aim to deliver pupils to St Andrew's Prep by 8.15am. Parents are encouraged to deliver pupils to their stops at least 5 minutes before departure times. All drivers follow the timetable as closely as possible and will not leave the stops before the stated time nor wait for latecomers.

Evenings

Buses in the evening depart from St Andrew's Prep at 4.15pm and 5.45pm, unless otherwise advised in advance. Pupils will be delivered to drop off points as near as possible to listed times, subject to traffic delays. Once pupils leave the bus at their agreed stop, the bus will continue with its journey – parents are responsible

for pupils from this point. Parents are to collect pupils if they cannot board the Wednesday afternoon 4.15pm bus because of further involvement in school activities.

Saturdays

There are no return buses on Saturday afternoons.

Severe weather limited service

When road conditions on St Andrew's Prep bus routes are considered to be hazardous due to severe weather conditions, the school will put into effect its severe weather routes. St Andrew's will announce via a Parent Mail text and email that it will run a restricted transport service. The snow route and limited transportation schedule will consist of a number of pick-up and drop-off points on primary routes all of which appear on the Parent Portal under the minibus section.

Cancellation of service

When road conditions on St Andrew's Prep bus routes are considered to be too unsafe to run the minibus service due to severe weather conditions, St Andrew's will make this announcement via a Parent Mail text and email and give updates as to whether the school will remain open or closed. Should the announcement be made prior to the school day commencing, then parents will ultimately make the decision on whether they can safely transport their child to school. If the announcement is made during the school day then St Andrew's will again make the announcement via a Parent Mail text and email, whereupon parents will have the responsibility for making the necessary arrangements to collect their child from the school.
